Dear candidate,

Greetings of the day!

At the outset, Let me thank you for your esteemed cooperation.

Congratulations !! We are glad to inform you that your procurement into company has been successful.

We welcome you to our online tutoring and assignment help services!!

Let me tell you something about the company. **TransWeb Educational Services**, founded in 2006 – headquartered in Noida(NCR).

The company provides online education (live and interactive tutoring on internet) and is one of the top 5 brands providing the services from India in the US and UK markets. It has also started coaching students for IIT JEE online at disruptive pricing by ex-IITians and plans to launch medical entrance and other exam preps at a later stage. All the tutoring sessions are delivered with prepared content to keep the teaching methodology at the same standard always.

It is a leading educational firm actively involved in providing educational services for every need.

We provide online interactive real-time tutoring sessions, email assignment help and content development services.

Our services are mainly useful for:

- Students studying for various standardized exams like SAT, PSAT, LSAT, CLEP, AP, ACT, GED, FCAT, [NY Regents](#) etc.
- Those who want to study from home.
- Those who are looking for some extra tutoring help for Math, Physics, Chemistry, Accounts, Statistics and Economics at any level

You have been selected for assisting in email assignment help, In **Assignment help**, you need to know the following things:

1. You will get all assignments related emails from "customerservice@transtutors.com" email address.

2 The emails contain three things **Assignments, Deadline and compensation**.

Every assignment has a code (for ex TT020405_Maurice). Subject line of all our emails will have the code. Please do not change the subject lines and the code. Also when you prepare the solutions file name should be same as code.

3. Check the assignments and if you feel that you could do the assignment and comfortable with all given questions (when you are 100% sure of the solution) please send us confirmation email that "yes, you can do this assignment".

4. **Please note** that you have to send the confirmation only when you are 100% sure for every questions. You are free to reject any assignment but once you have accepted the assignment you are locked and you have to submit it on deadline whatever will be assign to you. If you break the deadline twice, we won't be able to continue with you.
5. After getting confirmation from your end we will revert and give you a go ahead to start work on that assignment. Please do not start work on any assignment until we send you go ahead email because it is sent to multiple tutors, whoever confirms first get it.
6. After finishing the assignment if student asks any clarification then it is your responsibility to provide the same ASAP.
7. Make an excel sheet in which you maintain the records of assignments which are done by you in a given month.
8. Send it to us at the end of the month, we will cross check it from our records and make the payment.
9. You will get the compensation of last month in the first week of the next month.

All the payments will be made online, Thus Please mail us the following details –

PAN Card Number :Same as Account Holder's Name

Account in the name Of :

Account number :

Type of account :

Bank name :

Branch :

City : :

RTGS/NEFT/IFSC code : Ask you Bank Personnel

Physical Address :

Landline Number

Mobile No.

We will **deduct 10.3% TDS** from your payment (As per Govt. of India Rules)

10. You are requested to create an account on Gmail because we use only Gmail for all assignment work.
11. In the beginning we will assign you small assignment to check your work quality; if we will be satisfied with your work quality then we will start assigning you more work.
12. Please let us know if you want us to remind you for every assignment through phone call then we will do the same.
13. Initially work will be less but it will increase with time. Check your e-mails everyday at **5am** to get maximum no of assignments.
14. There will be 6 people who will be coordinating with you in respect with the assignments –**Manish Singh, Piyush Gupta, Roopak Shivani, Udit bhan, Abhishek Kapuria,,Nishant Mor.**
15. Compensation will vary from assignment to assignment depending upon the no. of factors like the no. of questions, the difficulty level etc. It can vary anywhere between Rs500-Rs5000.

Hope we stand up to each other's expectations!!

For any clarifications, Please feel free to approach us for any kind of assistance.

Thanks & Regards,

Richa chaudhary,

HR Team,
